

FOR IMMEDIATE RELEASE

CATCH THE SEQUEL BREWKRZ STAGES SECOND ACT

SINGAPORE, September 2007 – Brewerkz Bar & Grill is set to open at the Singapore Indoor Stadium in September. After going from strength to strength for 10 years at Riverside Point, Brewerkz is finally ready to spread its wings on a new venture.

Similar to the Brewerkz Restaurant & Microbrewery on the Singapore River, the Brewerkz Bar & Grill has waterfront views of the Kallang Basin. A spacious venue, the Bar & Grill's 450 square metres indoors and a 350 square metres alfresco, which is expected to also prove a winner as the trend of outdoor dining remains strong, will seat approximately 250.

While the area tagged to be Singapore's Sports Hub is several years from completion, the owner of Brewerkz, MENU Pte. Ltd. Food & Drinks Group, intends to tap into the area's exciting future. Sports and beer have traditionally been great companions. And with more events slated for the Indoor Stadium and the new National Stadium, Brewerkz Bar & Grill right on the Stadium Waterfront has the right concept and atmosphere and is perfectly positioned to enjoy all the benefits provided by this world-class venue. There's ample parking and when the Circle Line MRT begins operation, the area will definitely draw the crowds as it becomes more readily accessible.

Patrons of Brewerkz Bar & Grill will be able to enjoy many of the signature items offered at Brewerkz Restaurant & Microbrewery that made it such a popular establishment. Expect the same salads, sandwiches and burgers made with the same time-tested recipes and authentic ingredients.

Although there will not be brewing facilities on site, Brewerkz Bar & Grill will have a selection of handcrafted beer on tap, all created by Brewmaster Scott Robertson and his Brewery Team. This ensures that beer lovers will still be able to enjoy their favorite fresh brews in a familiar and friendly setting.

Homemade Pizza

One unique selling point that will set Brewerkz Bar & Grill apart from Brewerkz Restaurant & Microbrewery is the handmade, wood-burning pizza oven that is the pride and joy of the kitchen. Brewerkz Bar & Grill is determined to serve the best pizzas in Singapore. MENU Group has sent Kitchen Manager Juliana Wong to the USA for a certification course at Verace Pizza Napoletana Association (VPN), a Department of Commerce-styled certification body that strictly stipulates the ingredients, techniques and equipment required in the production of a proper Neopolitan pizza. And Brewerkz Bar & Grill will be the only restaurant with VPN certification in Southeast Asia.

Beer and More

While the Brewerkz Brewery Team will be supplying Brewerkz Bar & Grill with at least 9 of its award winning, handcrafted beers, Corporate Beverage Director, Treys Ladrado has also designed a special cocktail list featuring 16 facinating drinks and in celebration of the various world-famous concerts held at the Indoor Stadium, Ladrado will create a specifically designed cocktail for each event. Moreover a carefully selected list super premium rums will be on offer along with Singapore's best frozen dacquiris.

Brewerkz Bar & Grill can also be transformed into a private venue for up to 400 guests as well as handle outside catering.

Brewerkz Bar & Grill will certainly be a bellwhether for the Kallang area, which has tremendous potential to become a new Singapore hotspot. And Brewerkz will prove to be an outstanding place for dinner before or drinks and snacks after a Singapore Slingers basketball match or concert by one of the super-stars who frequently appear at SIS or just a relaxing place to watch a game on the big screen, have a gathering with friends, host a function, or better yet, saunter in for a lazy brunch on Sunday morning. Brewerkz as always does what werkz with handcrafted excellence and causal style.
