### **About Brewerkz**

The brain child of US-born Devin Otto Kimble and Chilean Daniel Flores, Brewerkz Restaurant & Microbrewery is an iconic American microbrewery restaurant in Singapore that was modeled after similar concepts in the United States and Canada. Since it first opened in 1997, Brewerkz has received numerous awards and accolades for its dedication to high quality food and beverage, as well as impeccable food safety. Brewerkz is now opened in three locations around Singapore and is operated and managed by MENU Pte Ltd. For more information, please visit [www.brewerkz.com](http://www.brewerkz.com).

### **About MENU Catering**

MENU Pte. Ltd. Food & Drinks Group, parent company of Brewerkz Restaurants & Microbreweries, Café Iguana and WineGarage, launched its catering arm in 2007 to offer “three-in-one” catering. An alternative to single cuisine catering, MENU Catering offers scrumptious culinary creations from all three award-winning restaurant concepts and provides options from Mexican, American and Contemporary cuisines for customers to mix and match. From swanky cocktail parties to corporate functions and warm family affairs, MENU Catering puts over 10 years of Food and Beverage experience to create the perfect event.
